Unlike most other formal religions, the Japanese school of Zen Buddhism has no canonized corpus of sacred literature which will reveal the truth to diligent readers. There are, however, numerous collections of anecdotes and aphorisms that may serve to convey the sensibility which underscores the practice of Zen. Drawing on these traditional sources, Dr. Irmgard Schloegl of the Buddhist Society in London has gathered into one short volume a sampling of stories and sayings that are a valuable introduction to the study of Zen.
