Brand New Book ***** Print on Demand *****.Just when we thought matters could not get worse, Mom came out with the one definite statement that would guide us all through this battle. She was teaching us to stay focused on the positive and stay victorious of any negative. As brothers, we were drawn together in amazing ways to consider and decided together which course of action to pursue. For reasons of clarity and covenant, we called ourselves the Inner Circle. Is there anything more horrendous than learning a dear loved one is facing a terminal disease? This book attempts to answer that question in a positive way. It gives examples how this one family faced many challenges and came out stronger. It is intended as a guide to any family facing similar circumstances, offering possible answers and approaches. There is a hope this book will forestall and conquer despair and fear no matter what your family may be facing.
