By Alex Lewis, Andrew Abbate, Tom Pacyk

Pearson Education (US), United States, 2011. Paperback. Book Condition: New. 229 x 178 mm. Language: English . Brand New Book. This is the industry s most comprehensive, realistic, and useful guide to Microsoft Lync Server 2010. It brings together in-the-trenches guidance for all facets of planning, integration, deployment, and administration, from expert consultants who ve spent years implementing Microsoft Unified Communications solutions. The authors first introduce Microsoft Lync Server 2010 and show how it represents a powerful leap beyond earlier unified communications platforms. They systematically cover every form of communication Lync Server can manage, including IP voice, instant messaging, audio/video conferencing, web conferencing, and more. You ll find expert guidance on planning infrastructure, managing day-to-day operations, enforcing security, troubleshooting problems, and many other crucial topics. Drawing on their extensive experience, the authors combine theory, step-by-step configuration instructions, and best practices from real enterprise environments. They identify common mistakes and present proven solutions and workarounds. Simply put, this book tells you what works-and shows you how to make it work. * Plan and manage server roles, including Front End, Edge, Monitoring, Archiving, and Director roles * Understand Lync Server integration with Active Directory, DNS, certificates, and SQL Server * Manage Lync...
