Granta Books. Paperback. Book Condition: new. BRAND NEW, The Last Cigarette: The Smoking Diaries: v. 3, Simon Gray, This is the final volume of the trilogy that began with "The Smoking Diaries". Simon Gray is determined to give up smoking. Really. At last. Can he kick the habit of sixty years? Will he, sometime soon, be able to leave his house without nervously feeling for his two packets of twenty and his two lighters? As this wonderful, wayward record of Gray's life progresses, these questions are overtaken by much larger ones. What was sex like before 1963? Will his name be in lights on Broadway? Why leave the bedside of his dying mother? With their combination of comedy and serious reflection, of sharp observation and painful self-disclosure, Simon Gray's diaries have reinvented the memoir form and are destined to become classics of autobiography.
